PATIENT CONSENT

Privacy of your personal health information is an important part of our office's providing you with quality dental care. We understand the importance of protecting your personal health information. We are committed to collecting, using and disclosing your personal health information responsibly. We also try to be as open and transparent as possible about the way we handle your personal health information. It is important to us to provide this service to our patients.

In this office, Dr. Doug Ford is the contact person for personal health information related matters. All staff members who come into contact with your personal health information are aware of the sensitive nature of the information that you have disclosed to us. They are all trained in the appropriate uses and protection of your information.

- Only necessary information is collected about you.
- We only share your information with your consent.
- Storage, retention and destruction of your personal health information complies with existing legislation, and privacy protection protocols.
- Our privacy protocols comply with ADA standards.

Do not hesitate to discuss our policies with Dr. Ford or any member of our office staff. By signing the consent section of this Patient Consent Form, you have agreed that you have given your informed consent to the collection, use and/or disclosure of your personal health information for the purposes that are listed. If a new purpose arises for the use and/or disclosure of your personal health information, we will seek your approval in advance.

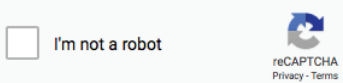

To the best of my knowledge, the above information is correct. If there is a change in my child's health history, or his/her medications change, I will inform the orthodontist at the next appointment.

When appropriate or necessary, the orthodontist may send and discuss my child's health information with other involved health professionals.
